Now Available:

Catalytic Exhaust Mufflers

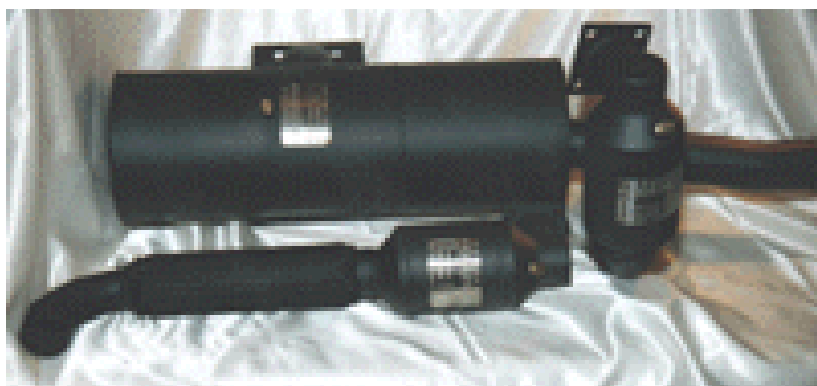

Operate Rental Equipment Indoors!

Walker Miller Equipment is now your home for Rental Equipment with the newest Catalytic Exhaust Mufflers! These mufflers now reduce Carbon Monoxide, Hydrocarbons and Oxides of Nitrogen emissions to below the levels of a propane forklift. *

—Mufflers fit Honda 13HP Gas engines thru Honda 9 HP Gas engines

—Mufflers allow the following to now be operated indoors:

- Trowel Machines
- Floor Saws,
- Floor Grinders
- Floor Planers
- Power Buggies

*Documentation Available Upon Request
